RESOLUTION NO.

12-21-2021-01-02 Authorizing Winnebago County to Enter into Settlement Agreements with McKesson Corporation, Cardinal health, Inc., Amer-Corporation, icsourceBergen Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-Mc-Neil-Jansssen Pharmaceuticals, Inc., and Janssen Pharmaceuitca, Inc., Agree to the Terms of the Iowa Opioid Allocation Memorandum of Understanding and Authorize Entry Into that Memo-

randum of Understanding WHEREAS, previously, the County Board of Supervisors authorized Winnebago County (the "County") to enter into an engagement agreement with Crueger Dickenson LLC, Simmons Hanly Conroy LLC and von Briesen & Roper, s.c. (the "Law Firms") to pursue litiga-

WHEREAS, the Settlement Agreements provide, among other things, for the payment of a certain sum to settling government entities in Iowa including to the State of Iowa and Participating Subdivisions, as that term is defined in the Settlement Agreements, upon occurrence of certain events as defined in the Settlement Agreements

("Iowa Opiod Funds"); WHEREAS, the Law Firms have engaged in extensive discussions with the State Attorney General's Office ("AGO") as to how the Iowa Opioid Funds will be allocated. which has resulted in the proposed Iowa Opioid Allocation Memorandum of Understanding ("Allocation MOU"), which is an agreement between all of the entities who are signatories to the Allocation MOU;

WHEREAS, a copy of the Alloca tion MOU and the Exhibits to that MOU has been provided with this Resolution

WHEREAS, the Allocation MOU divides Iowa Opioid Funds as follows: (i) 50% to the State ("the Iowa Abatement Share") and (ii) 50% to Participating Local Governments ("LG Share"), less fees and costs allocated to the Iowa Backstop Fund as set forth in Section D of the Allocation MOU and in this Resolution ("LG Abatement Share").

WHREAS, the LG Abatement Share shall be distributed in direct payments to the Counties that are Participating Local Governments according to the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804) in the amounts set forth on Exhibit 2 to the Allocation MOU ("Direct Distribution Percentage"). The District Distribution Percentage will be multiplied by the total LG Abatement Share to arrive at the total allocation to the Participating Local Government (the "Distribution Amount").

WHEREAS, 100% of the Iowa Abatement Share and the LG Abatement Share, regardless of allocation, shall be utilized only for Opioid Related Expenditures incurred after the Effective Date of this MOU. The list of approved Opioid Related Expenditures are set forth in Exhibit 1 to this MOU.

WHEREAS at least 75% of the Iowa Abatement Share and 75% of the LG Abatement Share shall be utilized for only the "Core Strategies" listed in Schedule A of Exhibit to this MOU.

WHEREAS, every Participating Local Government that receives a Direct Distribution Amount shall create a separate fund on its financial books and records that is designated for the receipt and expenditure of the entity's Direct Distribution Amount, called the "LG Abatement Fund." Funds in an LG Abatement Fund shall not be commingled with any other money or funds of the Participating Local Government. A Participating Local Government may invest LG Abatement Fund funds consistent with the investment of other funds of a Participating Local Government. WHEREAS, Funds in a LG Abatement Fund may be expended by a Participating Local Government only for Opioid Related Expenditures. For avoidance of doubt, funds in a LG Abatement Fund may not be expended for costs, disbursements or payments made or incurred prior to the Settlement. WHEREAS, each LG Abatement Fund shall be subject to audit in a manner consistent with Code of Iowa SS331.402(2)(i) and 11.6 Any such audit shall be a financial and performance audit to ensure that the LG Abatement Fund disbursements are consistent with the terms of this MOU. If any such audit reveals an expenditure inconsistent with the terms of this MOU. the Participating Local Government shall immediately redirect the funds associated with the inconsistent expenditure to an Opioid Related Expenditure. WHEREAS County has contracted with the Law Firms for representation in the Litigation and the Law Firms have been representing those entities since 2018 and in consideration for the Law Firms' representation, the County entered into a contract with the Law Firms for a 25% contingency fee applied to County's total recovery from any settlement. WHEREAS, the Settlement Agreements provide for the pay-ment of attorney's fees and legal expenses owned by States and Participating Local Governments to outside counsel retained for Opioid Litigation. To effectuate this, the Court in the MDL Litigation has established a fund to compensate attorneys representing plaintiffs in the Litigation (the "National Attorney Fee Fund").

WHEREAS, the Law Firms intend to make application to the Nation-al Attorney Fee Fund. However, because there is still uncertainty regarding what council for litigating local governments will recover as compensation for the large volume of work done and the large out of pocket expense of the Litigation, and whereas the Parties to the Allocation MOU desire to fairly compensate outside counsel for the work done on behalf of the Participating Local Governments in Iowa. the Allocation MOU provides that a fund be created from 15 % of the LG Share attributable to the Litigating Local Governments, less any amounts a Litigating Local Govern-

ment ("Iowa Backstop Fund") WHEREAS, the Iowa Backstop Fund is meant to compensate outside counsel for participating local governments only for amounts not recovered at the National Fee Fund attributable to their lowa clients:

WHEREAS, to be eligible for the Iowa Backstop Fund, the Law Firms must first seek payment from the National Attorneys' Fees Fund and may not recover amounts attributable to Counsel's representation of the County received at the National Attorney's Fees Fund from the lowa Backstop Fund;

WHEREAS, the County, by this Resolution, agrees to the creation of the Iowa Backstop Fund in the amount of 15% of the LG Share attributable to the Litigating Local Governments in order to fund a state-level "backstop" for payment of the fees, costs, and disbursements of the Law Firms;

WHEREAS, in no event shall the total of the amounts received by the Law Firms at the National Attorney's Fees Fund related to the County and the amount received at the Iowa Backstop Fund exceed the amount the Law Firms would have been entitled to pursuant their fee contract with the County;

WHEREAS, the County, by this Resolution, shall establish an account for the receipt of the LG Abatement Share consistent with the terms of this Resolution ("the

LG Abatement Fund"); WHEREAS, the County's LG Abatement Fund shall be separate from the County's general fund, shall not be comingled with any other County funds, and shall be dedicated to funding opioid abatement measures as provided in the Settlement Agreements and the Al-

3. The execution of the Allocation MOU by executing the Acknowledgement and Agreement to be Bound to Memorandum of Understanding.

BE IT FURTHER RESOLVED: the County hereby establishes an account separate and distinct from the County's general fund which shall be titled "LG Abatement Fund' to receive the LG Abatement Share from the Settlement Agreements. BE IT FURTHER RESOLVED

that all actions heretofore taken by the Board of Supervisors and other appropriate public officers and agents of the County with respect to the matters contemplated under this Resolution are hereby ratified, confirmed and approved.
